

1)

The feed post on the Homepage, Profile or the request should be having a Like, Comment and Share Buttons.

2)

There should be a section where the uploaded documents will stay and not in the identify verify section.

3)

The information is not being changed even after changing from the “Personal Information”.

4)

Change the “state” heading to “country” here:

← Informations personnelles

TestingGuy1	princeziahaq@gmail.com
Nom d'utilisateur
Address	City
State	Zip Code

Mettre à jour

5)

Proximity and Location Search should be on pages: offers, job page, services (homepage), rental page, real estate and commercial vehicles page like below buttons (doodle):

~~Offres et Demandes~~

Local search

Proximity search

~~Public Requests~~

TestingGuy1

00:00:00

Request: i want a showel!

Category: landscaping

Price: 280

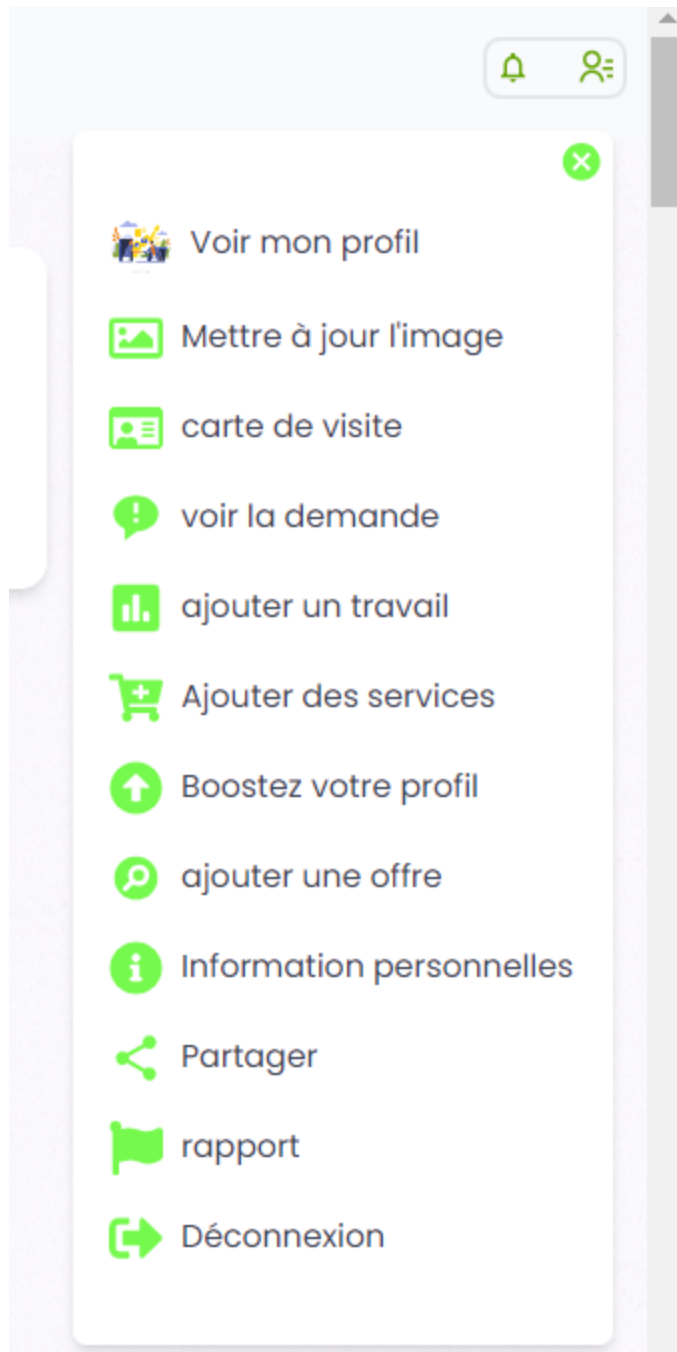

Address: Z19, North Street, Tokyo, Japan

Demande

Postez votre demande

6)

The profile drop-down should auto-close or hide after clicking on any part of the page or website and fix the alignment issue

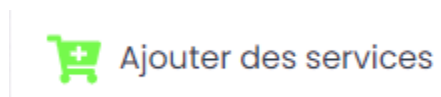

7)

On Explore in Internship Jobs there are category in job posting and is being shown on explore (2 jobs), but after clicking internship it doesn't show specific internship (2 jobs).

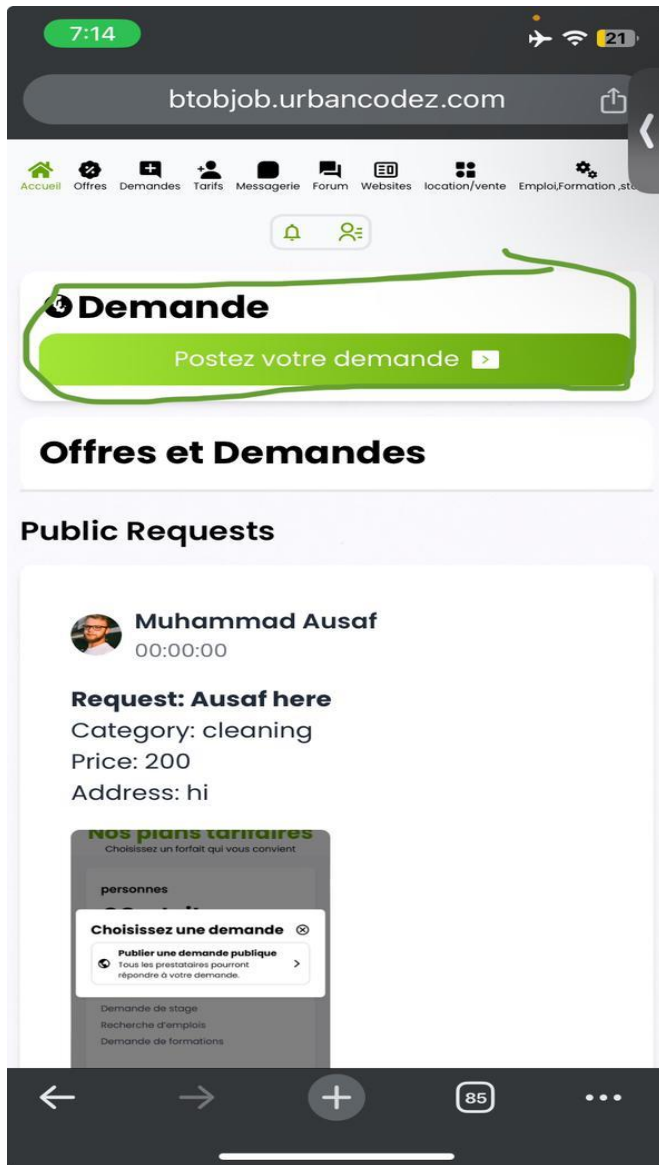

8)

Change "Add Service" Button name to Add Rental/Sale Item

9)

There should be proximity/location search on this page, as well as remove the extra buttons/headings except the Post Public Request and also on this page only the request (public requests) and feeds of people under location/proximity will be shown.

10)

When uploading a service/rent/sale item there should be options to categorize them in whether they are sell/rent equipment as well as also categorize them by headings: (equipment sale/rental, commercial vehicle sale/rental, real estate sale/rental).

11)

The price should come in “Euro” Currency.

22)

After Verification there should be a “Blue Ribbon” on profile showing that the professional is verified.

23)

18)

Personal Information page mey
State ko Country se replace karen,
and make sure ke personal
information page pe jo information
pehle se daali hui hai wou save
rahay wahan.

24)

The Phone Number and Address are not being shown on the profile.

25)

There should be working General Terms and Conditions and Cookie Policy and Privacy Policy, on the registering page and as well as on the Footer Section too.

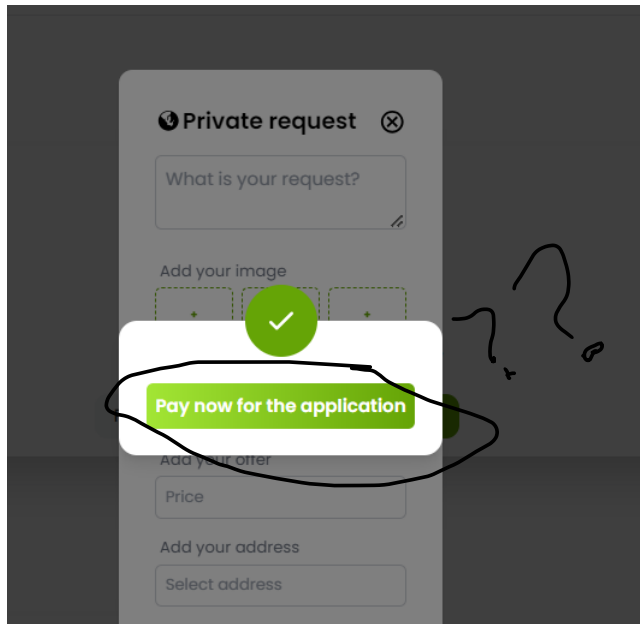

© 2024 btobjob.com. Terms & Conditions / Cookie Policy / Privacy Policy

26)

If a person selects an offer or a renting/selling item and if he/she approaches the owner of the post so the post should be tagged in messages.

27)

Change the “Pay for Application” and apply the integration correctly and make sure that private/requests are viewed only in messages and not in Homepage.

28)

There should be a field to enter description in the Profile “Personal Information” page.

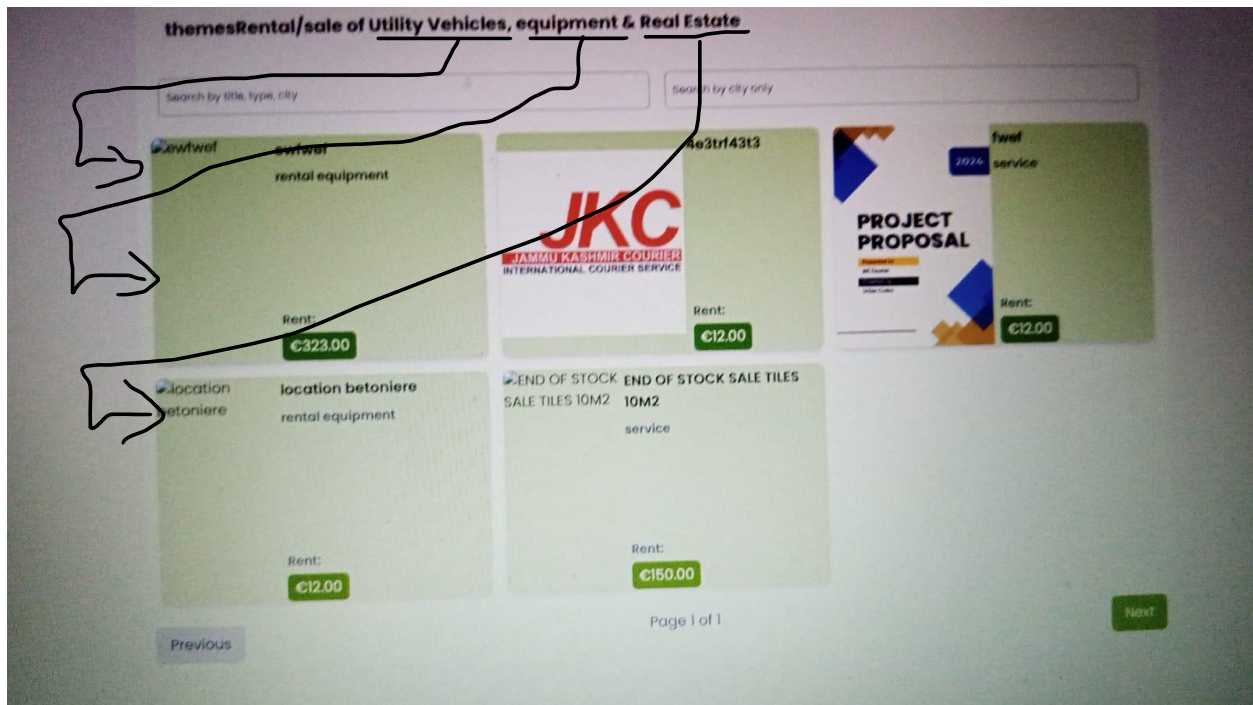

29)

Distribute the following page with respect to headings, like Equipment Rental ki 1 heading,

Commercial Vehicle ki 2nd heading

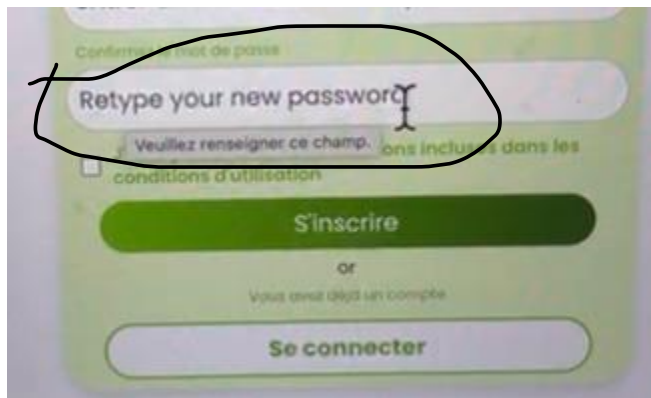

Real Estate ki 3rd heading

Show the page on basis of these headings along with a mention on post type whether it is SALE or RENTAL.

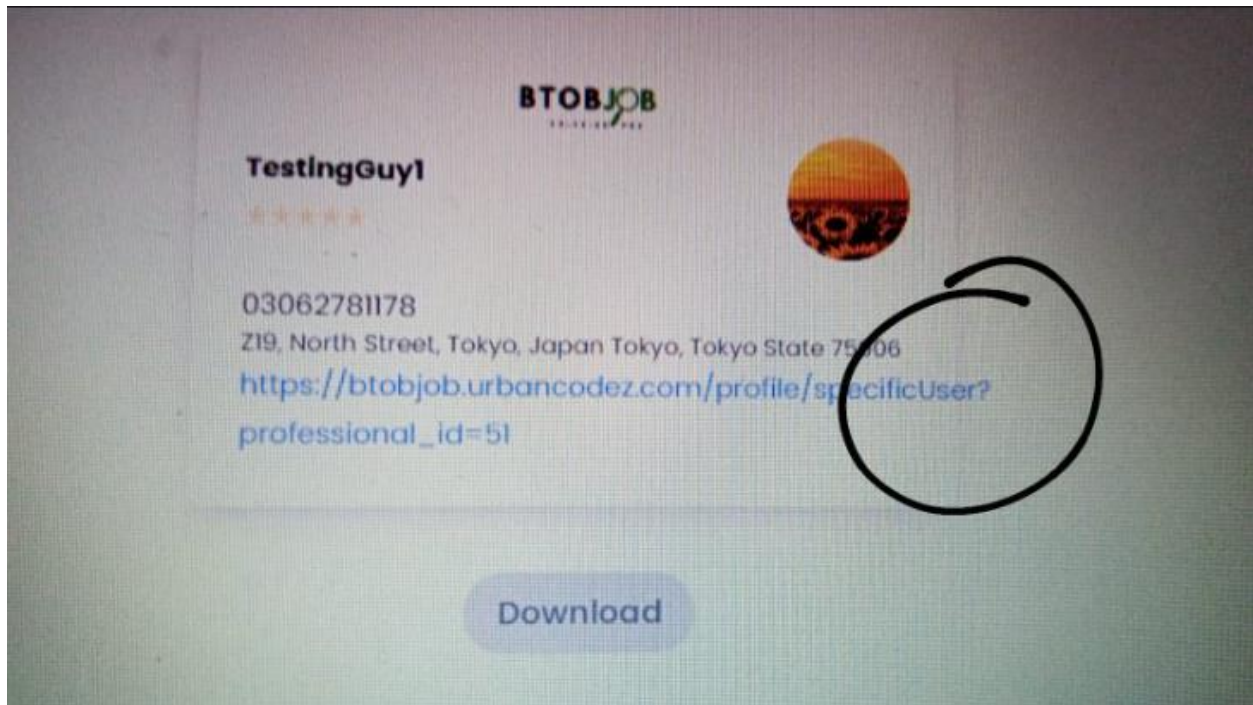

30)

Translate the following as it is not translated in French.

31)

Out of line/mis-align text, fixing needed.

32)

The pictures on profile viewing photos are not correctly synced and are showing my own profile pictures or are sometimes not even loading.
